- Stalls

Alex and Rosa compared notes and discussed how best to use new volunteers to fill gaps.

Coconut shy – Jo Fulford and Cassidy

Bean bags and tins - move Angela to this . Ann is running this.

It was thought that there were too many people on the gate and some could be usefully moved elsewhere.

Giant slide - Katie volunteered (RT mum)

BBQ - Kurt, Jonas, Julian, Tarun

Addy – now in charge of chucking sponge at teacher

Toys and Books – Tony, Nathalie (she will help put them out nicely which, as Joanna stressed, is important)

Face painting – Valentina, Cheraine, Jenny Chong.

Question of prizes for Tombola. Deborah to buy them if possible

Will have a box of spare prizes, too. Ann suggested using some of the better toys as top prizes, also.

Action: Rose and Cath to arrange

- Set up on Friday

Can be from 3.30pm and we'll work around after school club. This has been agreed with Mandy.

Looking after children on Friday – need babysitter . Question of whether we can use Ms Allen's room to show a film, with childcare.

Action- Cath to find out about Reception acting as babysitter.

Expenses – receipts should go to Chui-Lynn, bundled up with name of stall

Also keep track of which stall has spent which amount of money (e.g. connected with large Tesco Order Cath is planning.)

Inventory for ordering What do we have and what do we need?

Action: Alex to send email to stall holders. Cath and Rose to consolidate and produce order next week.

- Food and drink

Cath will do a big Tesco order. Alex to email people who have food and drink to ask for what they need.

Bar – ordering sensibly Must make sure this happens. We need more people for the bar, especially if busy. Floaters can be directed to help with this if needed.

Action: Cath to talk to Emma/ Eliza about ordering.

Joanna - Sasha to be Elsa, but would like £60. Joanna said it was very successful at Heathbrook and made £350. Parents take photos.

Mani can definitely do photos again this year.

Action: Rosa to check this is ok with Mani, just to let him know.

Action: Joanna to tell Sasha that we'd like her to be Elsa at the Fair.

Rose explained what has been planned i.e. 'Boxercise' by Activities for You, Swing dance taster session by Swing patrol (both 25 minutes), Zumba (with Luana) and singing with the school choir and other children.

- Other summer fair business

Tables: Pick them up from the Church (St Anne's on Venn St.) on Friday – 12 tables ; Bring them back by 9.30 on Monday. Could take them back on Sunday? Van not available until 1pm on the Monday so other options were discussed such as Nathalie's suggestion of using HSS Hire to hire a pulley.

Where to store tables overnight? School.

Growing Green

- Usually a PTA initiative, but since Kate has been a parent, she's done it. This is going to

change, and the PTA will take over.

- pea pesto, pasta and tzatziki - need volunteers to cook this.
- stall 9.30 – 4.30pm on Saturday 2nd July in Venn St Market and we need volunteers to sell produce.

Early person / people has to pick the stuff up from school and set up. Our stall was embarrassing last year, especially in comparison with Heathbrook's. Need to do better! Cath has asked art club to come up with decorated bunting / banner.

Cath asked people to bring any plants that could be sold and green table cloths.

Action: Rose – to get hold of pasta maker from friend. Rosa also has one.

Cath and Joanna – early slot, Elizabeth 10.30

Ann and Neha – 12.30 – 2.30

Action: Cath to confirm whether we have the Food lab all day to cook and access to fridges on the Saturday.
