

Introductions and Welcome

Ms Stanley, Year 1 Teacher

I used to teach in Kent before moving to London 2 years ago when I joined the Clapham Manor team teaching in Reception. Last Summer I got married before taking 9 months to travel the world with my husband. We visited South America, Japan, India and many other places before returning to the fantastic team at Clapham Manor. Teaching in Year 1 now is hugely exciting for me and I look forward to a great year ahead.

Ms Cano, Learning Support Assistant and Pupil Support Officer

I am Miss Cano and I will be working as an L.S.A. in year 5. Simultaneously, I have also been given the great opportunity to work as a Pupil Support Officer. This is a new and very exciting role that will allow me to work closely with those students that need extra support to make progress in their social and emotional skills and/or any other barriers that might be affecting their learning. We aim for our students to achieve their full potential and to raise their aspirations. I am extremely excited to be working at Clapham Manor Primary School and looking forward to meeting you in the future!

Transition Time in the Infant Playground

We would like to thank parents and carers for supporting the transition to new classes in the Infant playground each morning. As you will have noticed the playground is very busy when the morning bell rings. We would appreciate your support when dropping your child at school in the morning by saying goodbye when the bell rings and leaving the playground promptly, allowing them to line up independently. This will help to give classes the space to line up and move into the school to begin their learning quickly and safely.
