

Introductions and Welcome

Ms Khalil, Music Teacher

I completed my degree in Sydney, Australia and taught music in secondary school. My major was the flute and piano and I now have a particular love for world music. I was the music teacher at Clapham Manor for 7 years and have returned after being away for 7 years.

I'm looking forward to expanding the music provision at the school.

Support your PTA while you do your Shopping

During October our school will be one of the Charities of the Month in our local Little Waitrose store (5 The Pavement) as part of their Community Matters programme. **Please vote for us!** Ask for a green token at the checkout (or pick one up on the way in!) and pop it in the box labelled 'Clapham Manor Primary School'. The more tokens we get the bigger share of the £500 pot we will get. You can vote each time you visit the store.

UPDATE—Music Tuition

Thank you for all the interest in the music tuition, we have received over 110 applications this year. Due to number of responses we would like to apologise to all those that did not received a letter of confirmation. Unfortunately, we were not be able to offer all the children lessons, due to tutor availability, suitable space to accommodate the lessons and funding.

Drum Kit will currently be for one term which will give more children the opportunity to take part. All children will be placed on a waiting list.

I will be running a Recorder Club and Drumming Club during the day and will be teaching them the basic skills. This will make learning with the tutors much more rapid when they start.

Please return any instruments to the school office or Ms Khalil, unless you are going to hire your instrument from Lambeth Music Services (cost—£16 per term). If you own any unwanted instruments, the school openly welcomes any donations.

Thank you for your cooperation.
