### Harry the Hamster Goes Missing!

By Diego, 4A

"Oh No!"

"Where is our hamster?"

"He is not in the cage?"

All the children checked in the cage and in the classroom but it was no use, he just wasn't there. We told Mr Allen and he was so surprised it looked like his head was about to explode off! Some

people though of weird things that could have happened like he went to drink water but it teleported him to space. Mr Allen and some of the children told everyone else in the school but no one knew where he was. A few days later, everyone decided to stop looking for Harry because he was no where to be seen. One hour later, an enormous UFO landed on top of the school and got out their lasers and made a big hole on the ceiling and they dropped Harry into his cage. Every one was so happy.

"Next time we are going to need someone to guard Harry," said Mr Allen.

Please go to the cottage at the back of the Olympic Playground where you will experience an unusual and innovative art installation.

### Parent/Carer Forums Feedback

In the last two Parent/Carer Forums it was requested that there be no homework set over the Christmas holiday as the children are very tired. Therefore, none of the teachers have set the children homework to do over the holidays.

### Medical Appointments During School Time

We would like to remind all parents and carers that if your child has a medical appointment during school time we need to see proof of the appointment *before* we can allow your child to leave the school.

### Bling Your Bike

The 'Bling Your Bike!' competition is being held **tomorrow, Friday 9th December 2016**. This is a chance for the children to decorate them at home according to the theme '**Winter Time**' and then ride or bring their bike to school. The decoration can be as creative as possible, and there will be fantastic prizes on offer. Please ensure the bike is clearly labelled with your child's name and that the decorations do not interfere with brakes, chain, pedals and wheels, and that all bikes are safe to ride.
