

Happy Holidays!

We wish all Clapham Manor families a very happy holiday and look forward to seeing you all when school reopens for children on **Tuesday 3rd January 2017**.

Text Santa Christmas Jumper Day - Friday 16th December 2016

Thank you to all who participated in the Christmas Jumper day on Friday.

You all looked fabulously fun and festive!

We were able to raise a brilliant **£290.05** for the charity Save the Children.

6R	Jasmine Silva	Brightening up everyday in school with her zest for life, making school a better place

Winter Fair 2016 - £1430 Raised for the School

Thanks to everyone who supported the Winter Fair last Thursday. A massive thank you to everyone who ran stalls, made wreaths/ trees/ cakes/ snacks and donated stuff for us to sell, and a big thank you to everyone who came along on the day.

We raised a whopping £1430 for the school.

Thank you also for everyone who made and decorated biscuits and worked on Venn Street market on Saturday and to those who came along to support. We raised £310 for the school. Not bad for a morning's work!

Have a fantastic Christmas and New Year. See you all in 2017!

Maths Challenge Minion Symmetry!

Can you draw the other half of the minion so it is **symmetrical**? Ms Whitaker and Ms Mumby can't wait to see your creations!

Science Challenge - Balloon Hovercraft

You will need

- 1 x balloon
- 1 x CD
- 1 x pop-up water bottle lid
- superglue or a hot glue gun

Activity

- Glue the water bottle lid to the CD, so that the two holes match up – i.e. the opening of the lid should sit over the central hole in the CD.
- Now push the pop-up lid to the closed position.
- Blow up the balloon. Without letting it deflate (tricky) stretch the opening of the balloon over the top of the pop-up lid – just over the push-up bit.
- Find a nice big empty space on the floor (tiles or floorboards, it won't work on carpet) and pull the pop-up lid to the open position. Set the hovercraft on the floor and watch it slide around.

Watch the video tutorial here:
