

KS2 Puzzle Workshop—Thursday 20th April 2017

Today KS2 were working as a team to complete challenges using skills in perseverance, resilience, trust, literacy and communication. In the picture they are completing a fishing challenge whereby two children are blindfolded and the remaining children instruct them on how to catch the fish.

Year 2 Visit to Tate Britain

Both Year 2 classes visited Tate Britain as part of their literacy and science topics. Their power of reading story was Claude in the City by Alex T. Smith where the main character, Claude, visits an art gallery. The children went to see an exhibition by the artist and sculptor Henry Moore. A bronze sculpture from 1952 of the King and Queen inspired the children to create their own versions. The display of their splendid work is outside the year 2 classes.

Payments to the School: The school has a limited budget. We are pleased to provide services such as music tuition, afterschool club, breakfast club and school lunches. However, if outstanding debts for these items are not paid, these services will be withdrawn until the debts are paid. We cannot afford to continue to subsidise these services. If you are having difficulties making payments, please speak to a member of staff in the office. Thank you for your cooperation in this matter.

Lost Property: We have a large amount of lost property, ranging from jumpers, coats, bags, gloves and other items. If you or your child have lost or misplaced items around the school please ask a member of the Premises Team who will be happy to show you what we have. **Please note that at the end of the month, all unclaimed items will be donated to charity.**

School Lunches and Nutrition – Have Your Say!

We recently put an item in the newsletter asking for your opinion on how many days a week cakes should be on offer. So far we have had 11 responses and we would like to hear from more of you. Every day there is always an option of fruit or yogurt too, but how many times in a week do you as parent/carers think that cake should be offered to the children? Please complete the slip below and return to your class teacher or the office.

I think that cakes should be on offer to the children (alongside the everyday fruit and yoghurt that is available) as a part of school dinner dessertstimes a week.
