

Governor Profile

Name	Clare Rooth
Category of governor	Vice Chair
Term of office	November 2014 – December 2018
Work	I commute to work in Wapping by bicycle. I work for Sky in the Information Systems department as a Database Application Developer. I have been working in IT since the beginning of my career in the 1980s. I am a Data Protection Coordinator for my team at Sky.
Governance experience	I have been a Parent Governor, Local Authority Governor and Co-opted Governor by turn at Clapham Manor Primary School. During my time as a Governor, I have taken on the following roles: Vice Chair of Governors, Chair of the Pupil, Parents and Community Committee, member of the Head's Performance Review Committee (as part of a panel of 3), member of the Resources Committee, SEND Governor, and Child Protection Governor. I have attended many training courses to support my work as a governor, most recently I have attended courses on Safeguarding and Prevent.
Links to the school/area	I live locally in Lambeth. My son attended Clapham Manor Primary School and Lambeth Academy. He is now studying at Surrey University.
