

Governor Profile

Name	Delyth Hughes
Category of governor	Co-opted
Term of office	1 year, 9 months
Work	Solicitor
Governance experience	This is my first role as a governor, and I am enjoying the opportunity to learn and develop from my knowledgeable and experienced colleagues.
Hobbies and interests	In my spare time, I enjoy playing tennis, learning German and studying for my yoga instructor qualification. I am also on the development committee for a local London charity.
Links to the school/area	I have lived in Clapham since moving to London in 2010 and have lived one street from Clapham Manor for the past 3 years.
Why did you become a governor?	Having grown-up in a small community in Wales, I found it difficult when I first moved to London to find the same sense of community in such a large city. Having spent 8 years in Clapham, however, I can safely say I have now found what I was looking for and I wanted the opportunity to give back to the local environment and use my skills for the benefit of others.
