Hobbies and interests	Cycling, walking, gardening
Links to the school/area	My experience as a governor at our community school had influenced my decision to stand as a local councillor. In turn, I believe that representing the interests of the broader population has enriched my contribution at Clapham Manor, as well as my councillor roles specifically addressing sustainable food-growing, transport and open space within and around the School
Why did you become a governor?	I wanted to make a difference within my community, in supportive and practical ways
