We value equity and inclusion and believe that in supporting all learners to become confident individuals able to live safe, healthy and fulfilling lives they will become lifelong learners and responsible citizens who make a positive contribution to society that deals effectively with economic, social and cultural change.

We will:

- recognise learners' similarities and differences and provide **creative** learning opportunities that are tailored to ensure all learners reach their **full potential**
- encourage and develop **independent thinking**, **risk-taking** and **problem-solving skills**, develop learners **confidence** and **positive self-identity** and ensure that everybody shows **kindness** and **understanding** towards others
- ensure the efficient use of resources: human, physical and financial, in order to provide best value. We will also provide a **safe**, **caring**, **happy** and **stimulating** atmosphere within an aesthetically pleasing sustainable environment
- provide **inspirational leadership** and efficient management, with effective communication at all levels. We will **empower our children** to gain these skills for themselves
