**Gifted, Talented and Most Able Learners
Provision Philosophy**

*The human mind, overstretched to a new idea,
never goes back to its original dimensions.*

Oliver Wendell Holmes

At Clapham Manor we nurture the gifts, talents and individual abilities of all children, developing every learning journey to the furthest possible point.

We believe in provision that equips children with the capacity to problem-solve creatively and to cope confidently with the ambiguity of the future.

We recognise the need to foster the emotional intelligence of our most able pupils, developing learners with high self esteem, a hunger for taking risks and the motivation to achieve.

Gifted, talented and most able children at Clapham Manor are empowered through a flexible curriculum, stimulating learning opportunities and an environment that facilitates enquiry. We encourage learners to be reflective, critical thinkers and we endeavour to realise the potential of every child.
