
Clapham Manor Physical Education Action Plan for 2018- 2019

The government is providing additional funding to improve provision of Physical Education (PE) and sport in primary schools. The Departments for Education, Health, and Culture, Media and Sport have provided this funding jointly. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

At Clapham Manor, we believe that sports education should help nurture and equip children for the future.

It should support pupils in developing values such as:

- Responsibility
- Independence
- Resilience
- Self-motivation
- Respect, care and consideration
- Practise makes perfect
- Achieving their personal best

It should support pupils in developing skills such as:

- Communication
- Social interaction
- Confidence and high self-esteem
- Motivation and aspiration
- Leadership and team work

Sport should be fun and fully inclusive regardless of sporting ability or SEND need.

Aims

The aim of the funding is to:

- Increase participation rates in sport

- Provide competition school sports
- Ensure provision is inclusive, wide-ranging and provides alternative sporting activities
- Ensure effective partnerships and links with other schools and the local community
- Like sport with other areas of the curriculum
- Provide greater awareness about the dangers of activities that undermine pupils' health

Total fund allocated: £19,000

Current Relevant SDP Priorities	<u>Priority 2: Quality of teaching, learning and assessment</u> Staff survey to measure levels of confidence, knowledge and skills in teaching P.E.	<u>Priority 4: Outcomes of pupils</u> All children participate in a wider range of sports and activities across the year. Swimming attainment is carefully measured and 100% of children meet expectation at the end of the Year 6.	<u>Priority 1: Effectiveness of leadership and management</u> Subject leader and sports coaches impact positively on the outcomes of all pupils in P.E, ensuring that children participate more regularly in sports.
